

Polly Rally North – 2007

Saturday July 7th 11– 5

By kind permission of Mold Model Engineering Society

Location

Welsh College of Horticulture, Northop, Flintshire CH7 6AA

The College is situated about 1km north west of the village of Northop.

Northop is on the southern side of the A55 and is reached by leaving the A55 at junction 33.

OS Ref –323675,368945

The Track

I have seen a video of the track, it looks to be an interesting drive. It is a raised track, the Society has some braked riding cars that can double as driving trollies and it is hoped that some members own DTs will be available with the required clearances.

As usual boiler certificates and insurance will be required.

Refreshments

Tea and coffee will be provided by our hosts.

You will need to bring any food you require or be prepared to go out and find a cafe or pub.

Further Information

The Society website is – www.moldmes.com

Or you can phone Andrew Womack (POG) – 0845 108 1951, or on the day, if you get lost, 07 971 429 877.

You can also get a map at – www.streetmap.co.uk
